Michael, I did a quick review of the two FSPs and the one I just sent was tailored for RD activities and the Amended 2010 Version was for the RI activities. We do not have in our files a 2010 Version that is listed as Final, only the amended version that you have. If you have any questions, please give me a call at 312-648-1141 x26 . Dean

Do you guys have a version that is not titled draft final, or is this really the final version?
